The policies are subject to change in accordance with the changes of this Terms of Services.

5) This is not an exclusive, all-or-nothing distribution.

You are the copyright owner, so you decide where you want to publish. You have the right to sell your books or media directly in any stores or on your website.

You can choose your stores and retailers, where you want to publish through PublishDrive (the “Stores”). You can change your selection at anytime. The Stores are disclosed on the Stores Page (available under <https://admin.publishdrive.com/stores>), and are generally comprised of retail channels that sell books to readers.

We are keeping an eye out for possible duplicates, but please remember: a book can only be published in one store via one distributor.

The Company is constantly improving its partnerships with new Stores which are added on Company’s platform. Publisher is informed about the new Stores and their terms. Publisher’s Work will be automatically sent to the new Stores, unless the Publisher decides to opt-out from the new Stores’ distribution services. You have a 15-days opt out period before a new Store is introduced. The Company reserves the right to terminate partnerships with Stores. These decisions are communicated to the Publisher in a written manner.

6) Can I change the Stores selection?

At any time, Publisher may change its selected Stores on Company’s Website. The Company does not recommend frequent changes in the selection of Stores, in order to avoid operative issues caused from such frequent changes.

7) How do I start using the Service?

In order to access some features of the Website, including your account information and periodic statements, you will have to create an online account (“Account”). You hereby represent and warrant that the information you provide to the Company upon registration will be true, accurate, current, and complete. You also hereby represent and warrant that you will ensure that your Account information, including your e-mail address, is kept accurate and up to-date at all times during the term of this Agreement. Our use of your information is governed by our Privacy Policy, and you consent to all actions we take with respect to your information consistent with our Privacy Policy.

You are solely responsible for safeguarding and maintaining the confidentiality of your account username and password and are responsible for all activities that occur under your account, whether or not you have authorized the activities. You may not permit any third party to use the Services through your Account and will not use the Account of any third party. You agree to immediately notify the Company of any unauthorized use of your username, password or Account.

You agree that we may suspend and deny your access to and use of the Services and the Website if we reasonably believe that you have violated or acted inconsistently with the letter or spirit of these Terms of Service, or violated our rights or the rights of any third party, or for any other reason, with or without notice to you.

8) What are the distribution rules?

Generally, the Company will publish author's Work as it is delivered to us, and not edit or modify the Work, unless it is needed for commercial purposes. Certain modifications may occur or caused by file or design conversions. The Company does not guarantee accurate preservation of the original Work's format. Publisher shall work with the Company in good faith to promote Publisher Work's availability on the Stores and Company's Website. The Company may refuse to distribute any content based on content or formatting related issues.

9) How do I deliver the Work for distribution?

You must provide to us, at your own expense each Work you desire to distribute through our Services, in a digital format as specified by the Company on the Website. We will not return to you any electronic files or physical content or media you deliver to us in connection with the Services. You must deliver all electronic files free and clear of viruses, worms and other potentially harmful or disrupting code.

Warning: Prior to any delivery, Publisher shall warn the Company of any contents permitted for distribution within closed users groups only (e.g. adult content, Territory limitation, if there are Territories where the Work shall not be distributed).

10) You can decide to withdraw a Work from publication and distribution any time for any reason.

Once you make your request to have a Work title removed, our team will begin working to remove the title, but note that it may take 4-6 weeks or longer for the titles to be removed from retail outlets around the world. PublishDrive shall not be liable for any damage that is caused by delayed removal or from missed deadlines if the delay is caused by the Stores. Until we are able to remove such title, the rights and licenses granted under this Terms of Service will continue to apply to such title. Please note that, the Stores may maintain archival copies of such books solely to permit any authorized continuing access by any end customer who has purchased a license to that book prior to its withdrawal from sale.

This Terms of Service shall not be terminated automatically by Company's removal of the Work from the Website or Stores' websites or services. In order for you to terminate this Terms of Service following the removal of any of the Work, you must provide the company with a ninety (90) days prior written notice, as described in these Terms of Service.

11) We also have the right to remove your Work.

The Company and the Stores reserves the right, to remove and not use or exploit any of the Work from the Website in its sole and absolute discretion, for any reason or for no reason, including if the Company believes such content:

- (1) is offensive, harmful, pornographic, obscene, defamatory unlawful, indecent, inflammatory, false, misleading, fraudulent or otherwise objectionable;
- (2) is the subject of a dispute between you or us and a third party;

- (3) is content to which you cannot document your rights therein upon Company's request;
- (4) violates or is alleged to violate the intellectual property rights, privacy rights or other rights or protected interests of a third party;
- (5) is the subject of a takedown notice by a party claiming to own the rights therein, or
- (6) is the subject of any fraudulent activity, or for any other reason in Company's sole and absolute judgment is necessary to protect the business interests of the Company and any of its business partners or Stores.

If your Work or content is rejected by any Store, for any reason, the Company will have no liability to you, and the Company will not offer any refund or credit for any Services.

12) **We care about security.**

PublishDrive takes action to make sure your books are protected against illegal copies. The Company will stipulate within the metadata supplied to distribution outlets the level of digital rights management (the “DRM”) required. This will typically be hard DRM where it is possible, or watermarked where there is no option for DRM. If the Publisher does not supply a DRM statement, then the agreed default standard is distribution with DRM wherever it is possible. The DRM can be changed by your request in your Account. It is possible for Publishers to opt out of the DRM requirement in certain Stores.

13) **You set the price.**

You set the price (“Digital List Price”) of your Work (including VAT if applicable and excluding sales tax if applicable). You can even set a separate price for different currencies. If you need to make any changes, you can do so any time. You can schedule price promotions.

We will try our best to ensure that your Work is sold at the digital list price you set. Different Stores in different business models may offer your Work at different prices. If the price you set is less than the minimum price in a Store, we will send that Work to the Store at their minimum price. You can always opt out from a Store, if you don’t want us to change the price. If there is any mistake in the price that is displayed for your Work, please let us know immediately and we’ll do our best to fix it. If there is a mistake in the price display or inaccuracy, the Company will have no liability to you. We do not warrant or make any representations regarding the accuracy or reliability of information on the Website.

We (and most of the Stores) accept free books. Read our free books policy here:

15) How do I receive payments?

- a. We calculate your share of royalty based on the digital list price given by you on the Website. PublishDrive keeps 10% of the digital list price (excluding value-added or any other sales or other type of tax if applicable). Company will pay you the royalties communicated on the Website for the different stores which is already excluding PublishDrive's 10%.
- b. We will make payments to you (by ACH, wire or electronic transfer by Paypal or similar entity, when the amounts credited to you exceed the threshold amount of \$50 US Dollars (the "Threshold Amount"). Payments will occur within one (1) month from the date that you receive your monthly earning report. We may also elect, at our sole option to make payments to you at such other times

as we deem appropriate, even if you have not met the Threshold Amount. We are constantly looking for the best payment options. The current payment terms can always be found here: <https://publishdrive.zendesk.com/hc/en-us/articles/115003160453>. If the amount does not exceed the Threshold Amount, the Company has the right to hold back the transaction until it exceeds. Publisher shall provide the Company with correct and actual banking information of the Publisher, otherwise the Company has the right to withhold its payment until the next payment circle.

- c. We can withhold royalties and offset them against future payments based on taxation law. Our exercise of these rights does not limit other rights we may have to withhold or offset royalties or exercise other remedies. If we pay you a royalty on a sale and later issue a refund, return, or credit for that sale, we may offset the amount of the royalty previously paid for the sale against future royalties, or require you to remit that amount to us.
- d. In the event that the Company receives notice of any claim, demand, action or suit or other legal proceeding alleging facts inconsistent with your warranties and representations, or in the event that the Company has, in its reasonable business judgment, reason to suspect that your Account has been subjected to and/or involved in fraudulent activities, the Company reserves the right to discontinue posting of monies to your Account and block your ability to otherwise withdraw funds there from, until satisfactory resolution and/or explanation of the suspect activities is obtained. To the extent that any fraudulent activities are determined to be caused by your or your affiliates actions or omissions, any costs incurred by the Company (including legal fees and costs) in connection therewith may, in addition to its other remedies, be deducted by the Company from any monies otherwise payable to you hereunder. Certain Stores may also have policies related to fraud and suspected fraudulent activities and you agree that such policies shall be binding upon you hereunder.

16) **Payments terms are simple.**

It is your responsibility to notify the Company if your payment method has changed by making the appropriate changes to your Company account settings.

Your royalties will be paid out one (1) month after you receive your sales report. We use a self-billing system to create invoices for publishers.

We welcome publishers from all over the world, but all the Services provided under these Terms of Service are quoted and provided in U.S. dollars, unless otherwise indicated.

Signing up, you confirm that PublishDrive is eligible to create an invoice in your name based on sales reports using a self-billing system. In case of any deviation amounting to more than 5% at your expense, PublishDrive shall be liable to pay the auditing fees; otherwise, you shall be liable to pay such fees.
